EXAMINER'S AMENDMENT *Amdt A/poup*

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with attorney Steven C. Bruess on 10/03/2000.

2. The application has been amended as follows: claims 1-4 have been canceled.

3. The following is an examiner's statement of reasons for allowance: the claims are allowable over prior art of record because none of the references in alone or in combination discloses a method of assembling a cable routing system comprising the steps of: providing a lateral trough section; mounting a cable exit trough to a top edge of the lateral trough section; and routing a cable from the lateral trough section upwardly and transversely to the exit trough.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
